

Assessment

TEXTILES Polar Puppets

Research	Understand what a hand puppet is and who might use it.
	Identify a running stitch and an over stitch.

Design	Use a template to create a design for a puppet.
	Label a drawing to show which parts of the design will be stitched.

Make	Join fabrics together accurately e.g. pinning, stapling, gluing.
	Cut fabric accurately using scissors.
	Thread a needle with some support.
	Sew a running stitch or an over stitch using evenly spaced stitches.
	Use joining methods to decorate a hand puppet.

Evaluate	Identify main strengths and weaknesses of finished product.
	Suggest alterations to address any weaknesses.
	Evaluate quality of stitching on own or others work.
