

Y6	Domain: Writing - Composition
Planning and drafting	Evaluating and editing
1.Independently identify and select the audience and purpose, form and style of writing. 2.Use note-making techniques to plan, develop and summarise ideas using reading and research where appropriate. 3.The drafting process is used to make appropriate choices of grammar and vocabulary to clarify and enhance meaning. 4. Independently enhance the effectiveness of their writing through reading, evaluating and redrafting.	1. Précis longer passages – identifying key ideas reformulating them coherently in their own words. 2. Make proposals for changes to vocabulary, grammar and punctuation to enhance effects or clarify meaning. 3. Work alone or with a partner to evaluate writing for overall impact and suitability against a set of agreed success criteria - Identifying aspects for alteration. 4. Ensure correct subject and verb agreement when using singular and plural. 5. Ensure the consistent and correct use of tense throughout a piece of writing. 6. Proofread for spelling and punctuation errors.
